Notes from the MIP Conference 2020 Staff

Each year we look forward to seeing everyone at our Annual MIP User Conference. We expect our 11th Anniversary event to be bigger than last year and we hope you'll join us this year. This is an excellent opportunity to network with fellow non-profits and government agencies with similar challenges and get answers to your MIP related questions.

This User Conference benefits anyone that uses MIP on a regular basis. Whether you are performing daily transactional data entry, generating and/or looking at a report, querying the database or looking to interact with fellow not-for-profits, this Conference is the perfect venue.

As always, we're here to help so call or e-mail with any questions and we look forward to seeing you in 2020!
