

## New This Year

### Inaugural MIPCON 2023 Pre-Conference Golf Event

Monday, October 9th - 8:00am Start

We have made arrangements with a local golf course ([The Legacy Golf Club](#)) to host a pre-conference golf outing for golfers of all handicap levels this year. This is a fun event where golfers will have a networking opportunity with fellow attendees, exhibitors, session leaders and other NP Solutions staff prior to the official start of the conference on Tuesday morning. We anticipate some form of a two person scramble where winners will receive bragging rights on top of plaques for: winning teams, closest to the pin on par 3s and longest drive.

Separate Golf Tournament Fee of \$125 includes:

Round of golf, transportation to and from the course, breakfast at the course

A few items for consideration:

Inclusion in the tournament will most likely require coming out a day early with a Sunday, October 8th check-in (unless your flight gets in super early Monday morning)

We'll need to meet a minimum number of golfers for the course to host this event

The course offers rental clubs if you don't feel like traveling with your own golf clubs

Pairings will be determined by: handicaps, whether you're a fellow cigar smoker, those that use profanity to control ball flight, DMV driving records, ability to stay hydrated on the course regardless of your hydration method of choice, and other determining factors. We're giving you plenty of time to get your ball retriever regripped, work kinks out of or back into your game and register for this event. But, please try to register before July 21st and we hope to see you out on the course for a perfect start to the conference. Please call us with any questions at 800-452-6599 or e-mail [Bill@NPSol.com](mailto:Bill@NPSol.com).
